To: The Shareholders of Fima Corporation Berhad

Dear Sir/Madam,

**PROPOSED SHAREHOLDERS' MANDATE FOR RECURRENT RELATED PARTY
TRANSACTIONS OF A REVENUE OR TRADING NATURE**

1. INTRODUCTION

At the thirty-ninth (39th) AGM of the Company held on 24 September 2014, shareholders had granted a mandate to the Company and/or its subsidiaries to enter into RRPT; the mandate granted will lapse at the conclusion of the forthcoming AGM.

On 25 May 2015, the Company announced to Bursa Securities that the Board proposes to seek its shareholders' approval to renew the shareholders' mandate for RRPT in accordance with Paragraph 10.09 of the Listing Requirements.

2. DETAILS OF THE PROPOSED SHAREHOLDERS' MANDATE

2.1 Shareholders' Mandate

Under Paragraph 10.09 of the Listing Requirements, a listed issuer may seek a shareholders' mandate in respect of RRPT subject to, *inter-alia*, the following :-

- i) the transactions are in the ordinary course of business and are on terms not more favourable to the Related Party than those generally available to the public;
- ii) the shareholders' mandate is subject to annual renewal and disclosure is made in the annual report of the aggregate value of transactions conducted pursuant to the shareholders' mandate during the financial year where the aggregate value is equal to or more than the threshold prescribed under Paragraph 10.09(1) of the Listing Requirements;
- iii) the circular to shareholders for the shareholders' mandate includes the information as may be prescribed by Bursa Securities;
- iv) the Director, Major Shareholder or Person Connected with such Director or Major Shareholder; who has an interest, direct or indirect in RRPT that is subject to such mandate must not vote on the resolution to approve the shareholders mandate and RRPT; and

In compliance with Paragraph 10.09 of the Listing Requirements, the Board is hereby seeking shareholders' approval for the Proposed Shareholders' Mandate for the Group to enter into recurrent arrangements or transactions in the ordinary course of business from time to time with a Director or Major Shareholder of the FimaCorp Group or a Person Connected with such a Director or Major Shareholder and the related parties set out in section 2.5 of this Circular, provided such transactions are entered into at arm's length and on normal commercial terms which are no more favourable to the related parties than those generally available to the public and which will not be to the detriment of the minority shareholders. The RRPT will also be subject to the review procedures set out in section 2.9 of this Circular.

2.2 Validity Period of the Proposed Shareholders' Mandate

whichever is earlier.

2.4 Principal Activities of the Company

The principal activities of the Company are those of property management and investment holding. The principal activities of FimaCorp Group are production of security and confidential documents, oil palm production and processing and production and sale of bank notes. 2. DETAILS OF THE PROPOSED SHAREHOLDERS' MANDATE (CONTD.)

2.5 Class and Nature of the RRPT (Contd.)

Notes:

(1) Basis in arriving at the estimated value (may vary and subject to changes) is stated in the table below:

(2) PT NJL's principal activities are in the oil palm production and processing. FimaCorp owns 80.0% of PT NJL;

(3) PT PEL's principal activity is oil palm production; and

(4) Bapak Muhammad Ramli is a Director of PT NJL and has 20% direct shareholding in PT NJL. He is also a Director of PT PEL and has 99.64% direct shareholding in PT PEL.

The RRPT will be made at arm's length on normal commercial terms which are not more favourable to the Related Party than those generally available to the public, are carried out on normal commercial terms and are not detrimental to FimaCorp's minority shareholders.

2.6 Amount Due and Owing by Related Parties

There is no total outstanding amount due under the mandated RRPT which exceeded the credit term as at the end of the financial year ended 31 March 2015. Hence, there was no late payment charges imposed on or by the Related Party.

2.7 Benefits

The RRPT entered into by FimaCorp Group is synergistic to the activities of the subsidiary of the Group and provide the subsidiary with support to its operational and business needs at the best possible terms. The Board is of the view that PT NJL's close working relationship with PT PEL would enhance the competitiveness of FimaCorp Group.

2. DETAILS OF THE PROPOSED SHAREHOLDERS' MANDATE (CONTD.)

2.8 Rationale

The RRPT entered into or to be entered into by the Group is all in the ordinary course of business and are intended to meet the business needs of the Group at the best possible terms.

The RRPT are likely to continue in the future on a frequent and recurrent basis from time to time. These transactions may be constrained by the time-sensitive nature and confidentiality of such transactions, and it may be impractical to seek shareholders' prior approval on a case by case basis before entering into such transactions. The Proposed Shareholders' Mandate will therefore eliminate the need to announce and convene separate general meetings from time to time to seek the shareholders' approval as and when such RRPT arise. This will reduce the associated expenses, improve administrative efficiency and allow the Group to channel such resources towards attaining other corporate objectives and business opportunities available to the Group.

2.9 Review Procedures for the RRPT

In ensuring that the RRPT are undertaken on arm's length basis and on normal commercial terms consistent with the Group's usual business practices and policies and on transaction prices, which are not more favourable to the Related Parties than those generally available to the public and are not to the detriment of the minority shareholders, the Group will adhere to the following procedures:

- (i) The Related Parties will be advised that the RRPT are subject to the Proposed Shareholders' Mandate and will also be advised of the review and disclosure policies;
- (ii) The Group will ensure that the RRPT are only entered into after taking into account the pricing, quality and level of service. The transaction prices, terms and conditions shall be determined by market forces, under similar commercial terms for transactions with third parties;
- (iii) The RRPT shall be reviewed by the Company's internal auditors and presented at the Audit Committee Meetings on a quarterly basis. The Audit Committee will also review the internal audit reports pertaining to the RRPT to ascertain that the guidelines and procedures to monitor the RRPT have been complied with;
- (iv) Further, where any Director or Persons Connected to him has an interest (direct or indirect) in any related party transactions, such Director (or his alternate) shall abstain from voting on the matter. Where any member of the Audit Committee is interested in any transaction, the said member shall abstain from deliberation and voting on the particular resolution in approving the transaction; and
- (v) The Company will also maintain a record of all RRPT carried out pursuant to the Proposed Shareholders' Mandate and will be made available by the management to the external auditors, internal auditors and Audit Committee for their review.

2. DETAILS OF THE PROPOSED SHAREHOLDERS' MANDATE (CONTD.)

2.10 Approval Thresholds

There are no specific thresholds for approvals of RRPT within the Group. However, all RRPT are subject to the approval of the Managing Director upon recommendation made by senior management, subject to the provisions in the Listing Requirements and/or the Act, where necessary. Where any Director has interest direct and/or indirect in a transaction, the said Director shall abstain from deliberation and voting on the particular resolution in approving the transaction.

2.11 Statement by Audit Committee

The Audit Committee is of the view that the procedures in section 2.9 are sufficient to ensure that the RRPT will be transacted on normal commercial terms which are not more favourable to the related party than those generally available to the public and are not to the detriment of the minority shareholders.

In addition, the Audit Committee is also of the view that the Company has in place adequate procedures and processes to monitor, track and identify RRPT in a timely and orderly manner and the said procedures and processes are reviewed on quarterly basis or whenever the need arises.

The composition of Audit Committee is as follows:

Rezal Zain bin Abdul Rashid	<i>Chairman/Senior Independent Non-Executive Director</i>
Dato' Adnan bin Shamsuddin	<i>Independent Non-Executive Director</i>
Datuk Alias bin Ali	<i>Independent Non-Executive Director</i>

2.12 Interest of Directors and Major Shareholders

As at 31 July 2015, save as disclosed below, none of the Directors and Major Shareholders of FimaCorp or Persons Connected with them has any interest, direct or indirect, in the Proposed Shareholders' Mandate.

The interested Major Shareholder and Director of PT NJL, Bapak Muhammad Ramli has 20% direct shareholding in PT NJL. He is also a Director of the related party, PT PEL and has 99.64% direct shareholding in PT PEL. Bapak Muhammad Ramli has no direct or indirect shareholdings in FimaCorp. He has undertaken to ensure that he and Persons Connected to him will abstain from voting on the Proposed Shareholders' Mandate at the AGM in respect of their direct and indirect shareholdings, if any.

2.13 Determining Transacted Price

The transacted price with the Related Party is based on the monthly FFB price released by "Dinas Perkebunan Provinsi Kalimantan Timur". At least two other contemporaneous transactions with unrelated third parties for similar products and/or quantities are used as comparison to determine whether the price and terms offered to the Related Party, as the case may be, are fair and reasonable and comparable to those offered to/by other unrelated third parties for the same or substantially similar products and/or quantities and to ensure that the RRPT are not detrimental to the FimaCorp Group.

2. DETAILS OF THE PROPOSED SHAREHOLDERS' MANDATE (CONTD.)

2.13 Determining Transacted Price (Contd.)

In the event that quotation or comparative pricing from unrelated third parties cannot be obtained, prices are determined based on market knowledge and on normal commercial terms in accordance with FimaCorp Group policies, which require (among others) that transactions with Related Parties are undertaken on arm's length basis, on terms not more favourable to the Related Parties than those generally available to the public, are carried out on normal commercial terms and are not detrimental to FimaCorp minority shareholders.

3. EFFECTS OF THE PROPOSED SHAREHOLDERS MANDATE

The proposed shareholders mandate is not expected:-

- (i) to have any effect on FimaCorp's issued and paid up capital and shareholding of its substantial shareholders; and
- (ii) to have any material effect on net assets or earnings for the financial year ended 31 March 2016.

4. APPROVALS REQUIRED

The Proposed Shareholders' Mandate is subject to approval being obtained from the shareholders of FimaCorp at the forthcoming AGM.

5. DIRECTORS' RECOMMENDATION

Having considered the rationale for the Proposed Shareholders' Mandate, the Board is of the opinion that the Proposed Shareholders' Mandate is in the best interest of the Company and recommends that you vote in favour of the ordinary resolution pertaining to the Proposed Shareholders' Mandate to be tabled at the forthcoming AGM.

6. AGM

The Fortieth (40th) AGM, the notice of which is set out in the enclosed 2015 Annual Report, will be held at Dewan Berjaya, Bukit Kiara Equestrian & Country Resort, Jalan Bukit Kiara, Off Jalan Damansara, 60000 Kuala Lumpur on Tuesday, 22 September 2015 at 10.30 a.m. for the purpose of considering and, if thought fit, passing the resolution to give effect to the Proposed Shareholders' Mandate.

To: The Shareholders of Fima Corporation Berhad

Dear Sir/Madam,

PROPOSED RENEWAL OF THE AUTHORITY FOR SHARE BUY-BACK

1. INTRODUCTION

At the 39th AGM held on 24 September 2014, the Shareholders of FimaCorp had approved the Board to purchase and/or hold its own Shares of up to 10% of the issued and paid-up share capital of the Company of RM122,662,165. The approval obtained by the Board shall continue to be in full force until the conclusion of the forthcoming AGM unless authority for its renewal is obtained from the Shareholders of FimaCorp at the AGM.

On 25 May 2015, the Company announced to Bursa Securities that the Board proposes to seek renewal of its shareholders' approval to purchase and/or hold its own shares of up to ten per cent (10%) of the issued and paid-up share capital of FimaCorp.

The purpose of this Circular is to provide you with information on the Proposed Share Buy-Back together with your Directors' recommendation and to seek your approval for the resolution to be tabled at the forthcoming AGM. The Notice of AGM is enclosed together with the said Annual Report of the Company for the financial year ended 31 March 2015.

SHAREHOLDERS OF FIMACORP ARE ADVISED TO READ THE CONTENTS OF THIS CIRCULAR CAREFULLY BEFORE VOTING ON THE ORDINARY RESOLUTION PERTAINING TO THE PROPOSED AUTHORITY TO BUY BACK SHARES AT THE FORTHCOMING AGM.

2. DETAILS OF THE PROPOSED SHARE BUY-BACK

The Board proposes to seek the approval from the shareholders of the Company for the Company to purchase and/or hold its own Shares of up to 10% of the issued and paid-up share capital of the Company, subject to compliance with Section 67A of the Act, any prevailing laws, rules, regulations, orders, guidelines and requirements issued by the relevant authorities at the time of purchase and the availability of retained profits. The maximum number of FimaCorp Shares that can be bought back under this renewal would take into account the number of FimaCorp Shares previously bought back and retained as treasury shares.

For illustrative purposes, the total issued and paid-up share capital of the Company as at the LPD stands in the sum of RM122,662,165 comprising 245,324,330 ordinary shares of RM0.50 each, of which 3,912,200 ordinary shares are held as treasury shares. Assuming that the approval of the shareholders of the Company for the Proposed Share Buy-Back is obtained on the LPD, the maximum number of Shares that the Company may purchase pursuant to such approval shall stand in the amount of 20,620,200 Shares as at the LPD.

The maximum amount of funds to be utilized for the Proposed Share Buy-Back shall not exceed the total retained profits and share premium account, if any, of the Company. The audited retained profits of the Company as at 31 March 2015 was RM51,149,000.

The Directors may deal with the FimaCorp Shares purchased by the Company in accordance with Section 67A of the Act, in the following manner:-

- (i) cancel the FimaCorp Shares so purchased; or
- (ii) retain the FimaCorp Shares so purchased as treasury shares; or
- (iii) retain part of the FimaCorp Shares so purchased as treasury shares and cancel the remainder; or
- (iv) distribute the treasury shares as share dividends to the shareholders of the Company and/or re-sell on the Bursa Malaysia in accordance with the Listing Requirements and/or cancellation of all or part of them subsequently.

The approval from the shareholders for the Proposed Share Buy-Back would be effective immediately upon the passing of the ordinary resolution for the Proposed Share Buy-Back and shall continue to be in force until:

- (a) the conclusion of the next AGM of FimaCorp following the general meeting in which the authorization is obtained, at which time it shall lapse unless by ordinary resolution passed at that meeting, the authority is renewed, either unconditionally or subject to conditions; or
- (b) the expiration of the period within which the next AGM after that date is required by law to be held; or
- (c) revoked or varied by ordinary resolution passed by the shareholders of the Company in a general meeting;

whichever occurs first, but not so as to prejudice the completion of purchase(s) by the Company before the aforesaid expiry date and, in any event, in accordance with the provisions of the listing requirements issued by the Bursa Malaysia and any prevailing laws, rules, regulations, orders, guidelines and requirements issued by any relevant authorities.

2. DETAILS OF THE PROPOSED SHARE BUY-BACK (CONTD.)

The Proposed Share Buy-Back will allow the Directors to purchase FimaCorp Shares at any time within the abovementioned time period.

Pursuant to the Listing Requirements, FimaCorp may only purchase its own shares at a price which is not more than fifteen per cent (15%) above the weighted average market price of FimaCorp Shares for the past five (5) Market Days immediately preceding the date of the purchase(s) and the Company may only resell the purchased FimaCorp Shares held as treasury shares on the Bursa Malaysia at a price which is not less than the weighted average market price of FimaCorp Shares for the past five (5) Market Days immediately preceding the date of resale. FimaCorp will make the relevant announcement in the event of each purchase or resale of such FimaCorp Shares.

The fundings of the Proposed Share Buy-Back will be from internally generated funds and/or external borrowings, the proportion of which to be utilized will depend on the actual number of FimaCorp Shares to be purchased, the price of FimaCorp Shares and the availability of funds of the FimaCorp Group at the time of purchase. In the event that borrowings are used for the Proposed Share Buy-Back, the amount of borrowings will depend on the amount of FimaCorp Shares to be purchased by the Company and the appropriate borrowing capacity of the Company. The Company's net cash flow may be affected to the extent of the interest costs associated with such borrowings, if any. The maximum fund to be allocated by the Company for the Proposed Share Buy Back will be made wholly out of retained profits, and share premium account, if any. As at 31 March 2015, the audited retained profits and share premium account of the Company were RM51,149,000 and nil respectively.

The actual number of FimaCorp Shares to be purchased, the total amount of funds involved for each purchase and the timing of each purchase will depend on the market conditions and sentiments of the stock market and the financial resources available to the Company.

At present, the Company has not decided on the method the purchased shares are to be treated. However, an immediate announcement will be made to the Bursa Malaysia upon the purchase or re-sale of the Shares. In addition, the Company will announce as to whether the Shares purchased under the Proposed Share Buy-Back will be cancelled or retained as treasury shares or a combination of both. As at the LPD, the total number of FimaCorp Shares bought back since FimaCorp implemented the shares buy-back is 3,912,200 all of which were retained as treasury shares.

3. RATIONALE FOR THE PROPOSED SHARE BUY-BACK

The Proposed Share Buy-Back has the following potential benefits for the Company and its shareholders:

8. the Company may be able to stabilize the supply and demand of FimaCorp Shares traded on the Bursa Malaysia and thereby supports its fundamental value;
9. if FimaCorp Shares bought back by the Company are cancelled, shareholders are likely to enjoy an increase in the value of their investment in the Company as the net earnings per share of FimaCorp will increase; and
10. if the FimaCorp Shares bought back are kept as treasury shares, it will give the Directors an option to sell the FimaCorp Shares so purchased at a higher price and therefore make an exceptional gain for the Company. Alternatively, the FimaCorp Shares so purchased can be distributed to shareholders as dividends and serve as reward to the shareholders of the Company.

3. RATIONALE FOR THE PROPOSED SHARE BUY-BACK (CONTD.)

The Proposed Share Buy-Back will, however, utilize the financial resources of FimaCorp and may need to be balanced against investment opportunities and other shareholders' value proposals. The Directors in exercising any decision on the Proposed Share Buy-Back will be mindful of the interest of the Company and its shareholders.

4. POTENTIAL ADVANTAGES AND DISADVANTAGES OF THE PROPOSED SHARE BUY-BACK

The Proposed Share Buy-Back, if implemented, may enable the Company to stabilize the supply and demand of the Company's shares on the market of Bursa Securities, thereby potentially supporting the Company's fundamental value. Any cancellation of FimaCorp shares so purchased will increase the earnings per share of FimaCorp Group if the income foregone on the FimaCorp shares purchased is less than the earnings per share before the share buy-back. Additionally, shareholders may receive treasury shares as share dividends if the Board recommends a distribution of the said shares.

The Board would have the opportunity to utilize its surplus financial resources not immediately required for other uses, to purchase the Company's shares.

The Proposed Share Buy-Back, if implemented would, however, reduce the financial resources of FimaCorp Group and may result in FimaCorp Group having to forego any investment opportunities that may emerge in the future and/or any income that may be derived from alternative uses of such funds. The Proposed Share Buy-Back may also reduce the financial resources available for distribution to the shareholders of the Company in the immediate future.

5. FINANCIAL EFFECTS OF THE PROPOSED SHARE BUY-BACK

The financial effects of the Proposed Share Buy-Back are as follows:

5.1 Share Capital

In the event that the Proposed Share Buy-Back is carried out in full and all the shares acquired are cancelled, the issued and fully paid-up share capital of the Company will be reduced.

The effects of the Proposed Share Buy-Back on the issued and paid-up share capital of FimaCorp are illustrated below:-

	No. of Shares of RM0.50 each	RM
Share Capital as per audited financial statements as at 31 March 2015	245,324,330	122,662,165
Less: Cancellation of FimaCorp Shares bought back	(24,532,400)	(12,266,200)
Share capital upon completion of the Proposed Share Buy-Back as at the LPD	220,791,930	110,395,965

5. FINANCIAL EFFECTS OF THE PROPOSED SHARE BUY-BACK (CONTD.)

5.1 Share Capital (Contd.)

However, if the FimaCorp Shares purchased are retained as treasury shares, the Proposed Share Buy-Back will not affect the issued and fully paid-up share capital of FimaCorp but the rights attached to them in relation to voting, dividends and participation in any other distributions or otherwise are suspended and the treasury shares shall not be taken into account in calculating the number or percentage shares or of a class of shares in the Company for any purposes including calculation of substantial shareholdings, take-overs, notices, the requisitioning of meetings, calculation of quorum for meetings and the result of a vote on a resolution at meeting.

5.2 Net Assets (“NA”)

The effect of the Proposed Share Buy-Back on the NA per FimaCorp Share will depend on the purchase price of FimaCorp Shares, the effective funding cost to FimaCorp to finance the purchase of the FimaCorp Shares and/or any loss of interest income to the Company and whether the FimaCorp Shares are cancelled, retained as treasury shares or resold on the Bursa Malaysia.

If all the FimaCorp Shares purchased are cancelled and the purchase price exceeds the NA per FimaCorp Share at the time of purchase, the Proposed Share Buy-Back will reduce the NA per FimaCorp Share. Conversely, the NA per FimaCorp Share will increase if purchase price is less than the NA per FimaCorp Share at the time of purchase.

If the treasury shares are resold on the Bursa Malaysia, the NA per FimaCorp Share will increase if the Company realizes a gain from the resale, and vice versa. If the treasury shares are distributed as share dividends, the NA per FimaCorp Share will increase by the cost of the treasury shares.

5.3 Working Capital

The Proposed Share Buy-Back will reduce the working capital of the FimaCorp Group, the quantum of which would depend on the purchase price of the FimaCorp Shares, the number of FimaCorp Shares purchased and the effective funding cost and/or loss of interest income to the Company.

However, the financial resources of the FimaCorp Group may be restored upon the re-sale of the purchased Shares which are held as treasury shares.

5.4 Earnings

Whether the FimaCorp Shares to be purchased under the Proposed Share Buy-Back are maintained as Treasury shares or cancelled, it will result in a lower number of FimaCorp Shares being used for the purpose of computing the EPS of the Company.

The extent of the effects of the Proposed Share Buy-Back on the EPS of the FimaCorp Group will depend on the actual number of FimaCorp Shares bought back, the purchase prices of the FimaCorp Shares and the effective cost of funding or any loss in interest income to the Group.

5. FINANCIAL EFFECTS OF THE PROPOSED SHARE BUY-BACK (CONTD.)

5.4 Earnings (Contd.)

Assuming that the FimaCorp Shares purchased are retained as treasury shares and resold, the effects on the earnings of the FimaCorp Group will depend on the actual selling price, the number of treasury shares resold and the effective gain or interest savings arising from the exercise.

If the FimaCorp Shares so purchased are cancelled, the Proposed Share Buy-Back will increase the EPS of the FimaCorp Group provided the income foregone and/or interest expense incurred on the FimaCorp Shares purchased is less than the EPS before the share buy-back.

6. DIRECTORS' AND SUBSTANTIAL SHAREHOLDERS' SHAREHOLDINGS

Based on the Register of Substantial Shareholders and Directors' Shareholdings as at 31 July 2015 and assuming the Proposed Share Buy-Back is implemented in full (namely up to 10% of the paid-up capital) and that the FimaCorp Shares purchased are from the shareholders other than the substantial shareholders and Directors, the effect of the Proposed Share Buy Back on the shareholdings of the existing substantial shareholders and Directors of FimaCorp by virtue of Section 67A (3C) of the Act are set out below :

Kuala Lumpur High Court No. S3-22-728-2001

Construction Industry Development Board

-vs-

Fima Corporation Berhad & Malaysian Airports Holding Berhad

On 9 August 2001, Construction Industry Development Board (“CIDB”) filed a claim against the Company and Malaysian Airports Holding Berhad for a compensation sum of approximately RM2.12 million for renovation costs and general damages arising from the early termination by FimaCorp of the Tenancy Agreements dated 5 July 1999 and 15 July 1999 entered into between the Company and CIDB for the rental of certain areas of the Airtel Complex.

On 11 November 2008, the High Court of Kuala Lumpur (“High Court”) had disposed of this matter summarily in favour of CIDB and on 4 March 2009, the Company had filed its Record of Appeal to the Court of Appeal to appeal against the decision of the High Court. On 27 September 2011, the Court of Appeal had allowed the Company’s appeal against the decision of the High Court and had directed that the matter be remitted back to the High Court for a full trial.

11. MATERIAL LITIGATION (CONTD.)

There has been no development since 27 September 2011 and as at the LPD, CIDB has not taken any further steps in this matter, nor has a date been fixed by the Court for the same.

The Board has sought the advice of the solicitors acting on behalf of the Company in this matter and is of the opinion that there should be no compensation payable to CIDB pursuant to the terms of the Tenancy Agreements entered into between FimaCorp and CIDB.
