**NOTES TO THE QUARTERLY ANNOUNCEMENT FOR THE FOURTH QUARTER AND FINANCIAL YEAR ENDED 31 MARCH 2020**

---

**PART A - Explanatory notes pursuant to MFRS 134**

---

**A1. Basis of preparation**

The interim statements are unaudited and have been prepared in accordance with the requirements of MFRS 134: Interim Financial Reporting and paragraph 9.22 of the Listing Requirements of the Bursa Securities.

The interim financial statements should be read in conjunction with the audited financial statements for the year ended 31 March 2019. The explanatory notes attached to the interim financial statements provide an explanation of events and transactions that are significant to the understanding of the changes in the financial position and performance of the Group since the financial year ended 31 March 2019.

**A2. Changes in accounting policies**

The significant accounting policies adopted are consistent with those of the statutory financial statements for the financial year ended 31 March 2019 except for the adoption of the following new and revised Malaysian Financial Reporting Standards ("MFRSs"), Amendments to MFRSs and IC Interpretations.

**(a) Adoption of MFRSs, amendments to MFRSs and IC Interpretation**

On 1 April 2019, the Group adopted the following new and amended MFRSs and IC Interpretation:

- MFRS 16: Leases
- Amendments to MFRS 9: Prepayment feature with compensation
- Amendments to MFRS 119: Plan amendment, curtailment or settlement
- Amendments to MFRS 128: Long term interest in associates and joint ventures
- Annual Improvements to MFRS Standards 2015 - 2017 Cycle
- IC Interpretation 23: Uncertainty over income tax treatments

The adoption of the above standards and interpretation did not have a significant impact on the financial statements in the period of initial application except as discussed below:

**MFRS 16: Leases**

MFRS 16 replaced MFRS 117: Leases, IC Interpretation 4: Determining whether an Arrangement contains a Lease, IC Interpretation 115: Operating Lease-Incentives and IC Interpretation 127: Evaluating the Substance of Transactions Involving the Legal Form of a Lease. MFRS 16 sets out the principles for the recognition, measurement, presentation and disclosure of leases and requires lessees to account for all leases under a single on-balance sheet model similar to the accounting for finance leases under MFRS 117.

At the commencement date of a lease, a lessee recognised a liability to make lease payments and an asset representing the right to use the underlying asset during the lease term. Lessees are required to recognise interest expense on the lease liability and the depreciation expense on the right-of-use asset.

Lessor accounting under MFRS 16 is substantially the same as the accounting under MFRS 117. Lessors continued to classify all leases using the same classification principle as in MFRS 117 and distinguish between two types of leases: operating and finance leases.

The standard affected primarily the accounting for the Group's non-cancellable operating leases. The Group recognised right-of-use assets and corresponding liabilities by applying the modified retrospective approach and not restate comparative amounts for the year prior to initial adoption. Right-of-use assets is measured at an amount equal to the lease liability amount on the date of transition.

## A2. Changes in accounting policies (cont'd.)

### (a) Adoption of MFRSs, amendments to MFRSs and IC Interpretation (cont'd.)

#### MFRS 16: Leases (cont'd.)

In summary, upon the adoption of MFRS 16, the Group recognised the following balances as at 1 April 2019.

	<b>Assets/ (Liabilities) RM'000</b>
Right-of-use assets	3,925
Lease liabilities	<u>(3,925)</u>

In the profit and loss, expenses which were previously recognised as lease expenses in the cost of sales are now replaced by interest expense on lease liabilities (included within the finance costs line) and depreciation of right-of use assets. In the statement of cash flows, lease payments for the principal portion are now classified under financing activities compared to operating activities in the past.

### (b) Standards and Interpretations issued but not yet effective

The Group has not early adopted the following new and amended MFRSs and IC Interpretation that are not yet effective:

	<b>Effective for annual period beginning on or after</b>
Amendments to MFRS 3: Definition of a Business	1 January 2020
Amendments to MFRS 9, MFRS 139 and MFRS 7: Interest Rate Benchmark Reform	1 January 2020
Amendments to MFRS 101: Definition of Material	1 January 2020
Amendments to MFRS 101: Classification of Liabilities as Current or Non-current	1 January 2022
Amendments to MFRS 108: Definition of Material	1 January 2020
Amendments to MFRS 16: Covid-19-Related Rent Concessions	1 June 2020
MFRS 17: Insurance Contracts	1 January 2021
Amendments to MFRS 3: Reference to Conceptual Framework	1 January 2022
Amendments to MFRS 116: Property, Plant and Equipment - Proceeds before Intended Use	1 January 2022
Amendments to MFRS 137: Onerous Contracts - Cost of Fulfilling a Contract	1 January 2022
Annual improvements to MFRS 2018 - 2020	1 January 2022
Amendments to MFRS 10 and MFRS 128: Sales or Contribution of Assets between an Investor and its Associate or Joint Venture	Deferred

The directors expect that the adoption of the above standards and interpretation will have no material impact on the financial statements in the period of initial application.

## A3. Auditors' report on preceding annual financial statements

The financial statements of the Group for the financial year ended 31 March 2019 were not subject to any audit qualification.

## A4. Seasonality or cyclicity of the interim operations

The production of security and confidential documents is influenced by cyclical changes in volume of certain products whilst the oil palm production and processing division is affected by seasonal crop production, weather conditions and fluctuating commodity prices.

**A5. Unusual items**

There were no items affecting assets, liabilities, equity, net income or cash flows that are unusual because of their nature, size or incidence other than as disclosed in Note B8(2).

**B3. Prospects**

The Group anticipated the future revenue from all divisions to be slightly affected by current pandemic Covid-19. In addition, fluctuations in exchange rates and commodity prices may influence the Group's financial performance and position.

To face the challenges ahead, the Group will continue to take necessary measures to ride out this challenging time by enhancing our operational efficiencies. The production and trading of security and confidential documents segment will continue to put concerted efforts to establish new strategic alliances to develop new products and solutions to complement its existing products and our plantation division will remain focus in improving its efficiency in oil processing and optimising production cost.

Nevertheless, the Group believe that overall performance for the next financial year will remain satisfactory.

**B4. Variance of actual profit from forecast profit**

The Group did not issue any profit forecast and/or guarantees to the public.

The claim is for a sum of RM24,975,000 (excluding interest and cost), being the amount due and owing by the Defendant to the Plaintiff for 1.5 million Malaysian passport booklets which were supplied by the Plaintiff to the Defendant.

At the request of the Defendant during the case management on 3 October 2018, the Plaintiff agreed to attempt mediation with the aim of arriving at an amicable resolution. The mediation took place on 17 October 2018 and 19 October 2018. However, the parties could not reach a resolution.

This civil suit is not expected to have any material impact on the financial and operational position of the Company.

## B8. Changes in material litigation (cont'd.)

- (2) (a) On 21 October 2016, the Company announced that its Indonesian subsidiary, PT Nunukan Jaya Lestari ("PTNJL") has instituted legal proceedings to challenge the order issued by the Menteri Agraria dan Tata Ruang/Kepala Badan Pertanahan Nasional ("Defendant") ("Ministerial Order") to revoke PT NJL's land title Hak Guna Usaha No. 01/Nunukan Barat ("HGU") with immediate effect.

The Ministerial Order was on the basis that the HGU was improperly issued due to administrative irregularities performed by certain officers of the Badan Pertanahan Nasional Provinsi Kalimantan Timur at the time of the issuance of the HGU in 2003, resulting in parts of the area within the HGU to overlap with forestry areas. PTNJL's planted area affected by the Ministerial Order measures 3,691.9 hectare.

On 21 October 2016, PTNJL filed an application in the State Administrative Court in Jakarta, Indonesia seeking an order to annul the Ministerial Order. Simultaneously, in the said application, PTNJL has also sought an order from PTUN to postpone the enforcement of the Ministerial Order pending full and final determination of the matter by the Indonesian courts. The Defendant, together with a third party intervener, PT Adindo Hutani Lestari, have filed a defence against the said suit.

On 13 June 2017, the State Administrative Court dismissed the application filed by PTNJL to annul the Ministerial Order. Subsequently on 24 July 2017, PTNJL filed an appeal to the Pengadilan Tinggi Tata Usaha Negara Jakarta to appeal against the decision of the State Administrative Court.

The Pengadilan Tinggi Tata Usaha Negara Jakarta vide its written decision dated 11 December 2017 (which was received by the Company's solicitors on 2 January 2018 and subsequently forwarded to the Company on 3 January 2018):

- (i) has partly allowed PTNJL's appeal against the State Administrative Court's decision, with costs;
- (ii) has declared that the Ministerial Order revoking PTNJL's HGU to be void, save for the areas overlapping with forestry areas/third party interests measuring 5,138 hectares; and
- (iii) has ordered the Defendant to revoke the Ministerial Order save for the areas overlapping with forestry areas/third party interests measuring 5,138 hectares.

Pursuant to Pengadilan Tinggi Tata Usaha Negara Jakarta's decision dated 11 December 2017, PTNJL has filed its statement of appeal on 10 January 2018 and appeal on 23 January 2018 to the Mahkamah Agung Republik Indonesia ("Mahkamah Agung") in respect of the decision of the Pengadilan Tinggi Tata Usaha Negara Jakarta.

Mahkamah Agung, vide its written decision dated 21 August 2018, has allowed PTNJL's appeal and ruled that the Ministerial Order revoking PTNJL's HGU be annulled. The Mahkamah Agung also ordered the Defendant, to simultaneously:

- (i) issue an order cancelling PTNJL's HGU rights over the areas overlapping with third party interests measuring 3,500 hectares; and
- (ii) issue a new HGU certificate in favour of PTNJL for an area measuring 16,474.130 hectares, (which is 19,974.130 hectares less the 3,500 hectares referred to in paragraph (i) above).

On 20 February 2019, the Company announced that PTNJL has received notice (which was received by PTNJL's solicitors on 18 February 2019 and subsequently forwarded to the Company on 19 February 2019) that the Defendant has filed an application for judicial review together with its judicial review memorandum at the Mahkamah Agung on 8 February 2019. The Defendant is seeking to set aside the Mahkamah Agung's written decision dated 21 August 2018 on grounds that the court had among others misapplied the law to the relevant facts in arriving at the decision. PTNJL has on 18 March 2019 filed a counter memorandum at the Mahkamah Agung in response to the said application.

On 27 November 2019, the Company announced that the juridical review application against PTNJL, was allowed by the Mahkamah Agung vide its written decision which was received by PTNJL's solicitors on 27 November 2019.

On 23 January 2020, PTNJL has filed an application at the Jakarta State Administrative Court (or Pengadilan Tata Usaha Negara Jakarta) for juridical review of the Mahkamah Agung's decision that was delivered to PTNJL on 27 November 2019 which ruled in favour of Menteri Agraria dan Tata Ruang/Kepala Badan Pertanahan Nasional.

## **B8. Changes in material litigation (cont'd.)**

- (2) (b) On 28 November 2019, PTNJL has filed a civil suit in the Pengadilan Negeri Jakarta Selatan against the Defendant and PT Adindo Hutani Lestari ("AHL") (collectively, "Defendants"). The President Republik Indonesia and Menteri Lingkungan Hidup dan Kehutanan Republik Indonesia ("Menteri Kehutanan") have been named as co-defendants in the said suit.

PTNJL is seeking legal recognition of its rights over HGU; an injunction to:

- (i) order Badan Pertahanan Nasional and Menteri Kehutanan to issue permit, recommendation, or approval for PTNJL to undertake its plantation activities;
- (ii) bar AHL from preventing PTNJL from undertaking its plantation activities within the HGU areas which overlap with AHL's operating permits/interests; and
- (iii) restrain Menteri Kehutanan from issuing any new licences permits or approvals to any parties on or within the HGU.

PTNJL is also seeking an order from the court to stay the enforcement of the Ministerial Order dated 25 July 2016 pending full and final determination of the matter by the Indonesian courts.

On 6 May 2020, the mediation held between PTNJL, Defendants and Co-defendants has failed. Accordingly, the matter will now proceed to court for determination.

- (3) Following the termination of the Tenancy Agreement by Malaysia Airports Holding Berhad ("MAHB") on 11 May 2000, the Company as the Principal Tenant had issued a termination notice dated 15 May 2000 to all its respective sub-tenants at Airtel Complex, Subang.

Pursuant to the above, on 28 September 2001, the Company was served a Writ of Summons dated 9 August 2001 from a tenant ("Plaintiff") claiming for a compensation sum of approximately RM2.12 million being their renovation costs and general damages. The Board had sought the opinion from the solicitors who were of the opinion that there should be no compensation payable to the Plaintiff as the demised premise was acquired by a relevant authority which was provided in the Tenancy Agreement between the Company and the Plaintiff.

On 11 November 2008, the Court had disposed off this matter summarily in favour of the plaintiff and on 4 March 2009, the Company had filed its Record of Appeal to the Court of Appeal to appeal against the decision. The Company had made full provision for the compensation claim of RM2.12 million during the financial year ended 31 March 2009.

On 27 September 2011, the Court of Appeal had allowed the Company's appeal against the decision handed down by the High Court and directed that the matter be remitted back to the High Court for a full trial. There has been no development since 27 September 2011.
